

# Commissioned Papercuts by *april*

---

## Pricing by Size

Each papercut I make on commission, which I design for you specifically, will be of a slightly different size and with varying levels of intricacy and design complexity, so prices will vary. You can choose a papercut by size (since size limits complexity to some extent) and thus by price range.

	Size Range	Price Range
<b>Small</b>	Up to 5" tall or wide	\$100-150
<b>Regular</b>	Up to 8"	\$200-300
<b>Medium</b>	Up to 11"	\$300-500
<b>Large</b>	Up to 16"	\$500-700
<b>Huge</b>	Up to 20"	\$700-900
<b>Colossal</b>	Bigger than 20"	\$900+

## Prefer to Ignore the Size Thing?

If you do not want to choose a papercut based on size, you can simply tell me what you can pay and then I'll make something guaranteed to be that price.

## Bells and Whistles

Beyond this, other options can be added, like having a special colored, painted, patterned, or drawn background created or supplied, or the use of paint on the papercut, etc. Having your papercut painted upon adds 10-20% to the price, depending upon the complexity of the painting. Having a specially painted background adds about 10% to the price. If you have other ideas, let me know and we'll work it out.

## The Most Important Point

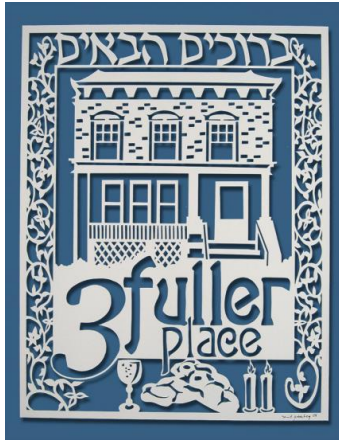

No matter what size you choose, I will make the most beautiful perfect papercut for you that I can. I'll always show you the design in some format before I start cutting for real so that you will have the chance to see it and approve it.

I look forward to working with you!
